## **Declaration of Performance**

## No. RHS-3/15 Rev.3

| Product Type                  | Cold formed welded rectangular hollow section S355J2H   |  |
|-------------------------------|---|--|
| Code of the Product Type      | RHS S355J2H   |  |
| Intended Use                  | Construction product                                    |  |
| Manufacturer                  | ELASTRON SA, Ag.Ioannis Str., Ag. Ioannis,              |  |
|                               | Aspropyrgos, 19300, Athens, Greece                      |  |
| Verification of Constancy     | System 2+   |  |
| Harmonised Standard Reference | EN10219-1:2006  |  |
|                               | MIRTEC SA (Notified body number: 0437) has              |  |
|                               | performed initial inspection of the manufacturing plant |  |
|                               | and of factory production control (FPC), performs       |  |
|                               | continuous surveillance, assessment and evaluation of   |  |
|                               | FPC and issued certificate: 0437-CPR-003/18             |  |

| Essential Characteristic         | Performance  | Harmonised<br>Technical<br>Specification |
|----------------------------------|--|--|
| Tolerances on Dimensions & Shape | Tables 2, 3, 4   | EN10219-2:2019                           |
| Yield Strength                   | $\geq$ 355 N/mm <sup>2</sup>   | EN 10219-1:2006                          |
| Tensile Strength                 | $<3 \text{ mm thickness 510-680 N/mm}^2$<br>$\geq 3 \text{ mm thickness 470-630 N/mm}^2$ | EN 10219-1:2006                          |
| Elongation                       | Table A.3  | EN 10219-1:2006                          |
| Impact Strength                  | <6 mm thickness NPD<br>$\geq$ 6 mm thickness $\geq$ 27J at -20°C                         | EN 10219-1:2006                          |
| Weldability                      | $CEV \le 0.45\%$   | EN 10219-1:2006                          |
| Durability                       | Suitable for galvanising   | EN 10219-1:2006                          |

The performance of the product identified above is in conformity with the declared performance identified in the table. This declaration of performance is issued in accordance with regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.

On behalf of the manufacturer Aspropyrgos 06/01/20

Sinapis Mavroidis Technical Director

Tsironis Petros Quality Manager
